"...God does not show favoritism but accepts men from every nation who fear Him and do what is right. This is the message God sent to the people of Israel, telling the good news of peace through Jesus Christ, who is Lord of all." Acts 10:34-36

This Week's Name of God: Lord of All

"Red and yellow black and white, they are precious in His sight." Many of us grew up singing those words, which remind us that God loves people of each and every race, nation, and ethnic background. God has no favorites. Do we teach our children to respect and even to love all people, regardless of race or ethnicity? We certainly need to do so. If God does not show favoritism, we most certainly should not either! Let's be good to one another, and be good to those around us. Let's be a beacon of God's love to the whole world around us! May our Lord God, the Lord of All, make it so!

Spelling Bee January 26!

The Spelling Bee will be held on Tuesday, **January 26** at 2 p.m. in the HS gym, not on January 19 as had been announced before. This is for grades 5-8. Individual classroom competitions will be taking place to narrow the finalists.

Mission Trip Fundraiser at Pizza Ranch in Willmar

The Junior and Senior classes of CMCS have begun making plans for their Mission Trip to New York in March.

This Wednesday, January 20th, the first fundraiser will be held. Pizza Ranch in Willmar will provide an opportunity for the group to make money by waiting tables. The students will keep all tips and will also be given a percentage of the profit from the evening.

Please reserve this night, **Wed, Jan 20th**, to come out and enjoy pizza and support the Mission Trip students.

Thank You!

The Mission Trip students are also selling bars, coffee, and hot chocolate at the home BB games. Come to a game and support a great cause!

THE SCIENCE LAB IS HERE!

If you've driven by the school lately, you cannot miss the giant semi-trailer that sits in front of the Elementary School. Thanks to Bruce Jacobson and the grant that he received from the state of Minnesota through SCSU, he has personally invited CMCS to be a part of only 35 schools to participate in this awesome, FREE opportunity through Thursday of this week!!!

The objective in this specific project is to make kids aware of some of the scientific opportunities there are in the world today, which is a vocation that is looking for more "good men... & women!!!" And don't we need more Christian scientists in the world today?! This definitely will give the kids a taste of how science can be so much fun! Here are some of the things that will be covered for grades 5-8: Pipetting 101; Looking into Lactase; Kool-aid Katastrophe (Chromatography or Spectroscopy); Intro Physiology; DNA in Fruit; and Dissolved Oxygen in Water. So, feel free to stop in and take a peek at what's happening in the Science Lab at Central; but be very quiet... students will be busy LEARNING!!!!

Boys and Girls Saturday Morning Basketball Practice

There will be no elementary *girls* basketball practice THIS Saturday (Jan. 23) due to a dance camp practice.

There WILL be boys' basketball practice on Saturday for all boys (minus the 6th graders) from 10:00- 11:30. This will be led by a volunteer CMCS parent, and we are looking for more help. (We had an AWESOME turnout of boys... we could use more coaches!). If you are available to help, please consider staying and encouraging your boys to learn basic dribbling, shooting, and lay-ups! Please contact Brad if you are willing to help out 967-4949 or greenies@mvtvwireless.com.

Just a reminder... there will be no elementary basketball practice on Saturday, Jan.30th due to the Bethany Volleyball tourney.
