CENTRAL’S VIEWPOINT ON THE CHRISTIAN HOME

Central has a firm belief, found in our bylaws, that “God has appointed the parent (or guardian) to be responsible for the training of the child.” School will continue to carry out “the basic God-honoring, God-centered program begun in the home.” At a family interview with 2 board members and an administrator, parents/guardians will be asked to share about their personal faith journey.

22. (Complete this question if you are a new family at Central and have not completed a board/administrator/family interview.) If you agree with our viewpoint on the importance of Christian home, please provide the name and email address or cell phone number of a senior pastor, youth pastor, Sunday school teacher, or lay leader within a church (only 1 is needed) who would be willing to complete a brief questionnaire that will be sent to them regarding your family.

23. If you agree with the following statement, please indicate by checking Yes or No. "As parents we wish to seek admission for our child(ren) in Central Minnesota Christian School." Yes No
